ON COVER:

LEX4 LEX4AWK

Valor Electric Fireplaces

Feel the heat.

All our electric fireplaces also provide heat, and include a 1400 or 2800 watt heater.

Adjustable flame.

The remote control offers adjustable flame and color combinations to suit your style.

Cozy up your room.

Electric fireplaces are a simple way to create a cozy space in any room in your home.

Easy and safe to use.

Electric fires are easy to use. No chopping of wood or messy logs and fumes from a wood fireplace.

Glow of the fire.

Our electric fireplaces creates soothing flames and an ambient glow that brings to mind a real fire.

Realistic-looking logs.

Valor's exclusive high definition logs create an authentic look.

Non-reflective glass.

The non-reflective glass reduces the glare of light, improving your view of the fire.

Efficiency

Valor electric fireplaces are an efficient, cost effective way to bring the look and feel of a real fire into your home.

Design your own.

Visit the Valor Fireplace Design Center to design your very own Valor Fireplace today.

REAL WOOD ARTISAN LOGS LEX2AWK

VALOR REAL WOOD ARTISAN LOGS **NEW**

Our authentic wood logs are individually selected from North American forests. Artisans carefully select each log to create one-of-a-kind logs. No two log sets are alike—and to ensure consistency in appearance, each set is delivered as a single, pre-assembled unit, making installation fast and efficient.
