VALOR ELECTRIC FIREPLACE

Valor developed the PE2 electric fireplace to showcase outstanding quality and aesthetic.

GLOW OF FIRE

The PE2 fireplace uses the latest in LCD technology to create soothing flames and an ambient glow that mirrors a real fire.

REALISTIC LOGS

Valor's exclusive high definition logs create an authentic look.

FEEL THE HEAT

All our electric fireplaces provide heat, and include a 1400 watt heater or 2400 watt if hardwired.

ADJUSTABLE FLAME

The remote control provides adjustable flame and color combinations to suit your style.

EASY-TO-USE

Electric fireplaces are an easy way create a cozy space in your home.

SAFETY

Electric fires are easy to use, avoiding messy logs and fumes from a wood fireplace.

Please Note: Printed maPE2 may vary from actual product. All product information is accurate at time of printing and is subject to change. For more information, visit valorfireplaces.com/pe2

REPLACE AN OLD WOOD FIREPLACE

Need an insert for your old wood or electric fireplace? The Valor PE2 makes it easy to replace an old portrait fireplace and enjoy a realistic-looking, easy to use hearth in your home.

RENOVATE OR BUILD ANEW

Renovating a space or building anew? The PE2 is perfect when you want to install a new fireplace where one does not currently exist, or when you significantly renovate an old one.

ABOUT THE PE2:

EASY TO INSTALL

Every PE2 fireplace installs easily—its shape is similar to our well-tested gas fireplaces. Except you don't need to worry about heat damage or venting.

SIMPLE TO USE

With a touch of your remote or WiFi app, you can turn on and adjust the fire, flames and fire bed hues—no chopping wood or yearly maintenance necessary. valorfireplaces.com/pe2

BIRCH PE2BLK

1 AESTHETICS

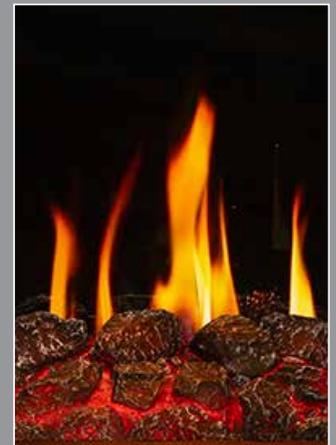

Valor's logs and coals are expertly crafted for a realistic appearance, exclusive to North America.

The black reflective LCD panel gives depth and realism to the flames and logs, while the LED lights highlight, create glow and varied flame hues—easily selected with your remote.
