FIREPLACES

For homeowners restoring or updating a historical or heritage home, preserving architectural character is just as important as improving comfort and efficiency.

Select Valor gas and electric fireplaces offer an ideal solution for replacing outdated wood-burning or aging gas fireplaces while maintaining the timeless charm of the original space. Designed to integrate within existing masonry openings and traditional hearths,

Valor fireplaces deliver efficient radiant heat, modern safety, and reliable performance without compromising historical integrity.

With classic fronts, realistic log and coal displays, and flexible installation options, Valor brings the warmth and ambiance of a traditional fireplace into modern living. valorfireplaces.com

Portrait

Our Portrait fireplace offers traditional fronts, suitable for heritage-designated homes.

COALS

WINDSOR ARCH, CHROME

WINDSOR ARCH, BLACK

These Portrait fronts are reproductions of heritage designs, allowing you to preserve the authentic look and character of your heritage home. At the same time, enjoy modern comforts such as radiant heat, remote-control convenience, and the warmth and ambiance of your fireplace.

WHY REPLACE YOUR CLASSIC FIREPLACE?
 Failing masonry, drafty, or structurally unsound, or no longer meets safety standards.
 Limited by your home's heritage requirements.
 Looking for ease, safety and warmth.

PRESIDENT
 (ALSO AVAILABLE AS A STOVE)

SENATOR

**PORTRAIT
 MINIMUM CAVITY DIMENSIONS**

	H	W	D
President insert	25¼"	20"	9"
President ZC	38"	26¼"	11"
Senator insert	25¼"	20"	9"
Senator ZC	38"	26¼"	11"
Windsor Arch insert	25¼"	20"	11½"
Windsor Arch ZC	37"	26¼"	13⅛"

P2

Our gas fireplaces are heater-rated and, in a power outage, continue to heat your home.

P2 FIREPLACE
RICHMOND FRONT
COALS

The portrait-style P2 features our heritage front, the Richmond. This front provides excellent coverage and looks great too. You'll appreciate the beautifully crafted logs and coals, which help create the authentic feel of a wood- or coal-burning fire.

P2 MINIMUM CAVITY

DIMENSIONS	H	W	D
Richmond ZC	45 ³ / ₈ "	25"	14"
Windsor Arch ZC	45 ³ / ₈ "	25"	15"
President	45 ³ / ₈ "	25"	15"

OUR HERITAGE
FIREPLACES OFFER

Minimal structural change—
maintain heritage features
of surrounding hearth.

Ideal replacements for coal
grates and old wood-burning

Works well with narrow
openings and your chimney.

Deep ember bed with
realistic coals and logs.

Easy to install,
maintain and enjoy.

PE2

**PE2 ELECTRIC FIREPLACE
WINDSOR ARCH BLACK
COALS**

Want the look of heritage
without the heat or upkeep of
a wood-burning fireplace?

Our electric line features
the same heritage fronts as
our gas fireplaces — easy to
install, easy to enjoy.

**PRESIDENT
ELECTRIC**

**WINDSOR ARCH ELECTRIC
ALSO AVAILABLE IN BLACK**

RICHMOND ELECTRIC
